Proceeds faded away to nothing, while Highball moved up and took command. The balance of the field had no chance and were strung out for an eighth of a mile. Moharib hung on gamely. Rapid Water for an lustant fell back, but came

An offer for a match race between English Lad and Highball was declined by Mr. Scheftel, as he will ship his stable back to the East next Monday.

THE SUMMARY.

Chicago, June 18.-Without feeling the | some of the herses before half a furlong touch of whip or spur and running en-had been traversed. English Lad got in a tirely on his own courage, Highball, the pocket and was compelled to pull up. In E-year-old colt which W. M. Scheftel doing so he fell on his knees, only to re-brought to Chicago from the East, won cover his stride and be bumped again. the American Derby at Washington Park In this Jam Bill Curtis was badly cut to-day. L. B. Dickerson's Woodson, one down, and his owner, after the race, said of the long shots in the race, was second, half a length in front of John A. Drake's Hunter, the Canadian colt, was blamed Rapid Water. English Lad, favorite be- for the interference. This colt had a one the race, was fourth, hopelessly beaten, although he was coming strong then working free and leading for a short at the end. The time, 2:33, equals the best time ever made for this event. The Picket won last year's Derby in exactly

To-day's race was as exciting as any ever run in the great classic. The East broke the ice for the first time in the history of the event, and the Eastern turfwere rewarded for the many thousands of dollars they have spent in trying to capture the sich prize. W. M. Scheftel, owner of the winner, is a Wall street coker, and this is the first year he has figured prominently on the turf. It was due to his trainer, "Bud" May, that the colt was shipped West, as he was not con-sidered good enough this spring to measure strides with such Western stars as English Lad and Moharib.

NO BOOKMAKING. The Derby which went to High Ball

Was a great event without betting on the merry chase, with Highball and Rapid result. For the first time in the history Water in attendance. On the back stretch of the event the betting ring to-day was without bookmakers. There was some betting of course, but it was without the knowledge of the 200 policemen scattered over the grounds in command of Assistant Chief of Police Schuetter. There were policemen everywhere in the stand, in the paddock, in the betting ring, on the lawn and in the infield. Private detectives made up the rest of the army of 800 that were at the track to enforce the law and prevent betting.

one, however, was necessary, as there is practically no attempt to violate the v. Any bels that were made were hand ascretly. It was a pencil mark on the is or a scrawl on a programme. Usually betting was transacted by signals. This item, however, went only for the big iter, known to those adventurous high even to whisper a suspicion of is. As for the man of limited means, re was no chance for him to-day, and a result, he saved his money. The sheene of betting did not detract in the race itself, nor from the crowd, ectators perhaps were less numerous hast year, when it was estimated that 00 persons passed through the gate. To-c about 10.000 or 16.00 less suw the race, was, however, the same riot of color on lawns, clubbouse steps and in the in-fit. Tallythes, drags and other splendid neuts were there in force, and the cering was just as lasty at the finish.

VICTORY POPULAR.

victory of the Eastern colt was popdar, despite the many backers who had ed their faith in the winter books on nglish Lad, Moharib and Bill Curtis. To

manuatin and Proofrender, two of last nights entries, were scratched, and Mayor David B. Rose and Copperfield were added. Neither house out any figure, however. Once in the starter's hands. Volney and Highball kept the man with the fiag busy. Boin desired to do things that were not on the programme, and the field was held at the barrier eleven misutes. With the tape finally released. Proceeds shot to the front and remained there for a guarter of the journey.

again and headed Woodson. The latter came with a fine burst of speed at the close and finished half a length in front of Rapid Water.

English Lad, who had found clear safing at last, started after the leaders, with Dominick working with might and main. In the meantime Fuller, on Highball, skinned the rail, followed by Woodson.

Fuller had Highball well in hand a sixteenth from the wire and had the field thoroughly beaten. Woodson and Rapid Water were under whip and spur, but Highball kept in front and swept under the wire a winner by a length and a half. Woodson was half a length in front of Rapid Water, the latter being three-quarters of a length ahead of English Lad. Moharib was a distant fifth. The remainder of the field was badly strung out.

The race had a gross value of \$2,575, of which \$35,575 went to the winner. Highball's owner was said to be a heavy winner outside of the value of the stake. John A. Drake was credited with winning \$13,000 on Rapid Water to finish in third place.

Ora McKlinney, Dodle S., Kenova, Antmosity, The Messenger and Labor were withdrawn from the fifth race, leaving a field of six to start.

To the surprise of everyone Beaugard won the event, with Bud Embry second and Bar. Le Duc third.

Bar Le Duc was the favorite at 7 to 5, but he got off badly, was beaten to the first turn and was unable to make up the lost ground.

W. B. Gates ran one of his inconsistent races, and after leading to the head of the stretch, dropped out of the running. Sailor's Delight was never in conspicuous evidence. Bar Le Duc was taken the overland route, but tired at the end.

Socapa, at 8 to 1, was really the Bood thing of the card, but few seemed to know it. He won the first race hands down. Chicago Girl, off badly, ran around her field and managed to failah second. She was made the favorite.

Chicarra got off with a running start in the 2-year-old event and won easily. St. Resolute and The Roustabout fought it out at the wire.

cheers of \$5,000 persons John A. Drake's Ort Wells easily captured the \$20,000 Tidal Stakes, one mile and a quarter, at Sheepshead Bay to-day. Hildebrand had the mount on the Drake horse and handled him in perfect style. James R. Keene's Delhi the favorite in the betting, finished second, with E. R. Thomas's St. Valentine third. The time, 2:06, is a new record for the stake.

Four good 3-year-olds faced the starter for this race, with Delhi favorite at 11 to 3, having been backed down from 4 to 5. Ort Wells was next in demand at 4 to 1. while 5 to 1 was laid against Ormonde's Right and 12 to 1 against St. Valentine. Odom sent Delhi to the front at the lifting of the barrier, followed by Ort Wells and St. Valentine. Ormonde's Right was trailing, at the run down the hack stretch Delhi was leading by two lengths. Rounding the far turn Hildebrand let Ort Wells have his head, and he steadily closed the zap that separated him from the leader. Delhi, Soon he was on even terms with the favorite, and as the two swung into the stretch Ort Wells drew away and won easily by three lengths. Delhi was five lengths in front of St. Valentine.

Another odds-on favorite met defeat in the third race, the Foam Stakes, for 2-year-olds, Waterside was installed a 3-to-20 favorite, but finished third. Hildebrand rode four winners.

Indications are that Mr. Barbee may be one of the principal features of the convention, owing to the contest which is being waged for representation in the convention from Jaseper County. The Barbee-Pheips fight is on in that district, and the Judicial Convention will have an opportunity to adjudicate matters.

"I expect there will be a fight in the Committee on Credentials," said Mr. Barbee. If there, I intend to be in it. If our delegation is thrown out I will know the reason why, and I will be able to tell why afterwards. I think that our delegation was rightfully elected. In my precinct I have said that I was willing to leave the matter to some friends of Mr. Folk and sbide by their decision." Leuis County were in the dity yesterday with the completed evidence in the contest that may be taken to St. Joseph in regard to the contest from St. Louis County. "We claim to be the regular delegation from our county." said Mr. Hiller. "We have the credentials of the chairman and secretary of the County Committee, and I think that we will have no trouble in being seated."

Considering the adverse weather conditions, it was probably the greatest race tions, it was probably the greatest race run for the stake. The crowd packed the stand in a manner not even witnessed on previous days when the St. Louis Derby was the center of attraction, and the betting ring was a surging pool of humanity that was next to impossible to traverse. Estimates of the crowd were various, but this much may be said, that as every available inch was taken, it was probably the record attendance at the old course, regardless of what previous occasion is taken for comparison.

STAKE WORTH \$4,000 By winning the big stake, Bondage put more than \$4,000 to the bank account of his owner-\$4.000 added to the many thousands he has already won this season. It was the sixth straight victory for the son of Haima, and the total of yesterday's purse made more than \$12,000 he has earned for his owner in the last eight days, for it was Bondage who wen the Harlem National Stake one week from the previous Saturday at the Chicago course. Finishing sturdily, as is his wont, the black Jack Young was a good second, passing Flying Torpedo in the last few strides. Fourth came Judge Himes from the Ellison Stable, who ran his race, but who was not able to take his place in the first three. Back further still came Jordan, Estrada Palma, Old Stone and Neversuch, who found the company too fast to suit their tastes.

It was the best content ever witnessed for the stake and the struggle which resulted in Bondage's victory, will be long remembered by those who witnessed the event. was the sixth straight victory for the son

There was a delay of seven minutes at the post. Jordan proved the disturbing factor and kicked down a section of the fence while whirling and rearing in the effort to get away from Jockey Austin and Assistant Starter Willie Snyder. The Haves bores made assurable to the company of the contract of t

On the extreme outside was Jordan, fighting for his head, while Neversuch and Jack Young followed closely behind in the order named. Last of all came Bondage, running easily under McIntyre's guidance.

The order was maintained passing the stand and around the first turn. As the curve was rounded, McIntyre let out a link on Bondage and the brown horse commenced to draw past the tall enders of the field and to go around the contentiers before him. Passing the far turn, Estrada Palma still had the lead, with Old Stone but a few inches back and Flying Torpedo still pelting along in third position. Back further still came Judge Himes, leading the second division, into which the field had separated.

BEGINS TO GAIN GROUND. BEGINS TO GAIN GROUND.

Just outside the spray of mud and water which covered the field from the flying hoofs of the leaders, with his head bent low against the rain which was drivbent low against the rain which was driving down the back stretch, came McIntyre and Bondage. Letting the little
horse take his own pace, the boy sent him
along and gained ground inch by inch.

In a drizzling rain, over a muddy track and before the largest crowd which has attended the Fair Grounds track this season, the brown horse Bondage, from Jim Arthur's stable, won the Club Members' Handicap yesterday from as good a field as has ever faced the starter in the historic event.

Well ridden by McIntyre, last passing the grandstand on the first trip, making up ground steadily down the back stretch and coming away in the home run as he pleased, there was nothing to the race but the Chicago thoroughbred. Had his rider been so minded he could have won by twice the margin.

Favorite in the race, well played in spite of the numerous local performers who were well backed in the stake, the victory was the most popular that could have been scored. The victor was greeted with the proverbial salvo of applause as he came back to the judges' stand, and when little McIntyre, muddy as to face but joy-

The victory netted just \$4,030 clear prefit to Jim Arthur. Immediately after the

race he announced that his entire simble would likely be brought here next week, including some of the best handleap herses now performing around Chicago.

The mile and one-dunrier was run in 213, good time considering the sloppy track. Not a single incident occurred to mar the running of the big race, and it was one of the most popular events which has been carded in many seasons.

There was a good day of racing begind the feature, although the other events necessarily sunk into insignificance compared to the main event. Broomhandle, from the Baker stable, held at even
